

How To Apply to a Mkono Loan : A Handy Guide for Entrepreneurs

Meet the eligibility criterias

- Be between 18 and 40 years old
- Have a registered & profitable company
- Be a member of our local partner communities

Fill out the application form

Provide relevant information about your company, including activities and fundamentals. Precise your requested loan amount (max 100,000 KSH) and provide information on how you plan to use it.

Wait while we review your application!

A member of our Operations Team - your assigned Success Officer- will review your application and make sure that everything is duly completed.

Speak with your Success Officer

Your Success Officer will schedule a call with you to gather more information about you and your business. It is recommended to prepare for this call; know your financials and company details well!

Sign your loan contract

Congratulations! Your loan request has been approved. All that is left to do is to get familiar and sign your contract. When that is done, your loan will be issued.

Make your monthly payments

The repayment period is 3 to 6 months. The loan is repaid in equal installments due every month. Your specific payment schedule will be specified in your contract.

Communicate with your Success Officer

If you have any questions or concerns regarding the loan program, do not hesitate to communicate with your Success Officer. They are there to support you through the process!

If needed, reapply for a loan

If you've liked your experience with us, repaid your loan, and duly followed your payment process, then great news! You are eligible to apply for another loan, this time up to 200,000 KSH.
